# Life in the institutions

# Life in the juvenile institutions

Structured dayprogram  
07.45 AM – 09.30 PM

School - 5 hours a day  
1 teacher / max. 7 students

# YOUTURN

In the Netherlands we use the method YOUTURN. This is an integration of two methods that help youth to:

1. Develop competencies and skills to perform everyday tasks
2. Develop moral awareness and take responsibility, within a positive peer climate

# Interventions and treatment

*The treatment plan*

The first 3 months: the basic profiles  
(for all)

After 3 months: working with  
individualized development profiles

**&**

*Approved treatment interventions e.g*

Family treatment

Learn from your crime
